The Restaurant Service at the  
central BELLECLAIRE is attracting  
the attention of New Yorkers, whose  
opinion of the Restaurant is con-  
tinually increasing.

It is also attracting the attention of  
people from out of town points. A  
lady from England is very fond of  
Apple Pie and wanted a friend of hers  
to have some good Apple Pie to serve in the Holiday family  
dinner. So she forwarded \$2.00 to  
us and asked that we forward two  
BELLCLAIRE APPLE PIES to her.

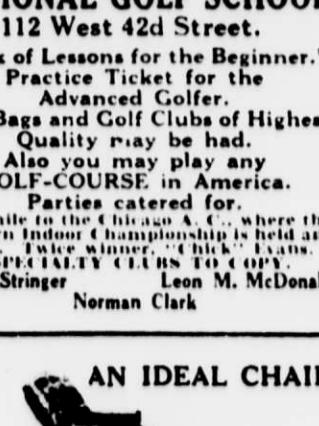

The lady who received them said  
the Apple Pies were a great deal better  
than the Apple Pie advertisement  
indicated. Thus one more friend was  
won for the BELLECLAIRE. Our  
Apple Pie never fails to make every  
body enthusiastic.

But Apple Pie is not the only arti-  
cle of food that makes friends for the  
BELLCLAIRE. All of its dishes  
make an equally strong appeal.

# The Story of YUBAN

**The Private Coffee of the Greatest  
Coffee Merchants**  
Now Offered the Public  
Yuban is the coffee drink of the rich. It was selected  
by members of the First National Bank for their  
personal use and for their clients. At Christmas, with all the other  
members of the bank, they received a box of the  
new Yuban coffee. This coffee has been selected  
from the best coffee beans in the world. It is  
a blend of the finest coffee beans, including  
the best coffee beans from Brazil, but is  
not a mixture of different varieties. It is  
a single variety, grown in a single place, in  
a single climate, under the same conditions  
of soil, water, and air. It is a single variety  
of coffee, carefully protected.

**H**AVE you tasted it? Read the  
story on the back of the package.  
From all the coffees of the world,  
Yuban was selected for the private  
use of the greatest coffee merchants.

Order a package from your grocer  
today—the price is the same as that  
of ordinary coffees.
